THE ULTIMATE WORK EXPERIENCE

The Young **Doctor** Summer Experience **2026**

Ages 15-18
London | UCL Campus

Join us for the ultimate work experience in medicine this summer in London.

Over the course of 2 weeks, students will step into the shoes of a doctor through a range of immersive career simulations and exclusive professional site visits.

This is a unique opportunity to work alongside top doctors, gain hands-on experience to boost university and job applications and experience life on-campus at a world-renowned university, University College London.

Ages
15-18

Location
London, UCL Campus

Length
1 week or 2 weeks

Start Dates
6th July, 27th July,
17th August 2026

Programme Highlights

- Test your skills in a simulated GP surgery, practising real-life patient consultations and diagnostics
- Experience clinical skills first-hand alongside specialists, such as blood-taking, vaccinations, suturing and CPR
- Visit a London training hospital and shadow doctors on a simulated ward round
- Undergo expert medical school coaching and complete assessed activities with personalised feedback
- Gain a personalised certificate, industry reference letter and UCAS points for a Level 3 Qualification in Work Experience & Career Planning
- Network with medical professionals from a range of specialisms, including anaesthetics, surgery, emergency medicine, radiology and more

"I attended the 2-Week Young Doctor Summer Experience and it was absolutely amazing! This programme not only gave me an amazing idea of what a career in medicine entails, but also gave me an amazing taste of university life in London; and I absolutely loved it!"

Student, the Young Doctor Summer Experience 2023

"InvestIN offers something I have never seen before so signed my daughter up for the Young Doctor Summer Experience. She had a brilliant time and especially enjoyed her time in the hospital with the doctors. She also has some good ideas now of what area of medicine she wants to specialise in and how to apply."
