THE ULTIMATE WORK EXPERIENCE

The Young **Forensic Scientist** Summer Experience

2025

Ages 15-18
London | UCL Campus

Join us for the ultimate work experience in forensic science this summer in London.

Over the course of 2 weeks, students will step into the shoes of a forensic scientist through a range of immersive career simulations and exclusive professional site visits.

This is a unique opportunity to work alongside top forensic scientists, gain hands-on experience to boost university and job applications and experience life on-campus at a world-renowned university, University College London.

Ages
15-18

Location
London, UCL Campus

Length
1 week or 2 weeks

Start Date
28th July 2025

Programme Highlights

- Sketch, package and recover key pieces of evidence at a simulated crime scene
- Work with specialists to perform fingerprint and blood spatter analysis to catch your criminal
- Visit a working lab, a simulated court room and a state of the art crime scene replica
- Showcase your skills in an exciting, hands-on assessment led by top professionals, receive feedback & expert career coaching on breaking into forensics
- Gain a personalised certificate, industry reference letter & UCAS points for a Level 3 Award in Work Experience
- Network with forensics experts from a range of disciplines and have your burning questions answered

“My highlight was the simulated crime scene - it was so interesting and exciting to be able to put all the knowledge we had gained into practice.”

“The forensic science programme taught me a lot about the different branches of forensic science and there were case studies given to apply the knowledge we’ve learnt. This course was very helpful, interesting and informative.”
