"My son had a great experience with InvestIN and said he was taught a number of things he has never learnt in school before. We chose this programme as he didn't want an academic programme but rather a practical one and for him that meant trading the markets and learning from successful investment bankers."

Parent, the Young Investment Banker Summer Experience 2024

"It was an incredible experience and my child thoroughly enjoyed learning about the financial industry from experienced professionals - he came home every day ecstatic with what he had done and excited for the next!"
