"I attended the 2-Week Young Doctor Summer Experience and it was absolutely amazing! This programme not only gave me an amazing idea of what a career in medicine entails, but also gave me an amazing taste of university life in London; and I absolutely loved it!"

"InvestIN offers something I have never seen before so signed my daughter up for the Young Doctor Summer Experience. She had a brilliant time and especially enjoyed her time in the hospital with the doctors. She also has some good ideas now of what area of medicine she wants to specialise in and how to apply."
