Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

Language Proficiency

We require a minimum B2 (CEFR) intermediate level of English in order to attend. Our programmes are delivered and facilitated by native English speakers, whilst over 50% of our students are from the UK and the US, providing international students with the opportunity to enhance their oral and written skills in a professional and social context.

Visas

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
